

# My AltSchool Profile

Full Name: Olayinka Oluwatobi

AltSchool ID: ALT/SOE/025/XXXXX

Program: Front-End Engineering - School of Engineering

## Biography:

I am an aspiring front-end engineer who is passionate about building meaningful digital experiences. I have a strong interest in technology and how it can be used to improve lives. My journey into tech is driven by curiosity and a desire to create.

## Why I Joined AltSchool:

I joined AltSchool Africa to gain solid technical skills, learn from experienced mentors, and become part of a vibrant learning community. The structured curriculum and real-world projects will help me grow faster and stay consistent in my learning.

## My Goals:

- Become a skilled front-end developer
- Build real-world web applications
- Understand JavaScript and React deeply
- Contribute to open-source projects
- Get a remote front-end job after graduation
